Behrend Honors Option
(Behrend Honors Program use only)
(Not for Schreyer Scholars*)

Student Name: ________________________________ (Please print legibly)
Student ID: ________________________________
Course Name: ________________________________
Section: ________________________________
Credits: ________________________________
Semester: ________________________________

Please note: The character or kind of course work should be enriched with an honors option. Simply increasing the volume of work does not constitute an honors option.

Attach a one page typed document that answers the three questions below.

1. Please describe how this honors work will replace/enhance the regular requirements of the course.
2. Please provide the rationale for this project as honors work rather than taking a regularly scheduled honors course.
3. An important component of honors work is regular contact between the student and faculty member for review and discussion of the project(s) as it develops. Please describe the agreement reached and appropriate deadlines for meeting this requirement.

Completion of this form does not register you for the course.

Student’s Signature: ________________________________ Student’s Printed Name ________________________________
Date: ________________________________

►►►►►Supervision - Important Notice◄◄◄◄◄
Honors work is to be supervised by regular members of the faculty who have professional appointments. Graduate students and staff may not supervise an honors option.

Professor’s Signature: ________________________________ Professor’s Printed Name ________________________________
Professor’s Title: ________________________________ Date: ________________________________

Academic Adviser’s Signature: ________________________________
Adviser’s Printed Name ________________________________ Date: ________________________________

Please return the completed form and typed attachments to the Honors Program Office located in the Academic Career and Placement Center on the second floor of the Reed Union Building.

*Schreyer’s Scholars will find their form on the Schreyer Honor College web page. http://www.shc.psu.edu/students/courses/honorsoption.cfm
