Because the GMAT is a test of general reasoning ability, the test-taker needs a clear understanding of the types of reasoning tested and a tactical approach to the test.

Course is designed to give you test-taking techniques and strategies to improve your score. You will receive up to 15 hours of classroom instruction and extensive handouts. Real GMAT questions are used.

Test-taking Strategies
• Sample questions used
• Math offered 9 hrs.
• Verbal offered 6 hrs.
