- School of Science

To return to the Research & Outreach Web page, use the “Back” button on your browser.

To search this document -

To find a word using the Find command:

1 Click the Find button on the toolbar (the binoculars).
2 Enter the text to find in the text box.
3 Select search options if necessary:
   - Match Whole Word Only finds only occurrences of the complete word you enter in the text box. For example, if you search for the word stick, the words tick and sticky will not be highlighted.
   - Match Case finds only words that contain exactly the same capitalization you enter in the text box.
   - Find Backwards starts the search from the current page and goes backward through the document.
   - Ignore Asian Character Width finds only those Kana characters that exactly match the text you enter.
4 Click Find. Acrobat finds the first occurrence of the word.

To find the next occurrence of the word:

Click on the “Find Again” button on the toolbar (binoculars with arrow).
