Penn State Behrend’s Society of Women Engineers
Presents

Girl Scout Day

Saturday, April 2nd
10am – 2pm
Registration starts at 9:30am

Penn State Behrend – Burke Building
4701 College Drive, Erie PA, 16563

Ages: 10 - 14

Girl Scout Day is an event organized and run by The Society of Women Engineers for local girl scouts to show them what it is like to be an engineer. We hope to inspire the scouts to gain interest and one day pursue a career in one of the many engineering fields.

The scouts will participate in fun hands-on activities that will test their creativity and problem solving skills. A lunch will be provided as engineering students present some of their favorite projects to the scouts. Scouts will also have the opportunity to tour our campus and engineering building including many of the labs.

If you or your troop is interested in attending, please contact Kathy Deutsch at YouthOutreach@psu.edu by March 18th.
